

Thanksgiving Baskets

Our annual Thanksgiving Basket program is under way and the sign-up sheet is posted on the communication board. We will provide all the fixings for 20 families and donations need to be turned in by Sunday, November 24th . Baskets will be assembled the following Monday morning, November 25th . Refrigerated items can be put in the refrigerator in the kitchen: all other items can be left on the table in the Great Hall. We need people to help assemble the baskets. If you would like to provide something and need assistance with shopping for your items, please call Cindy Sweier for more information. Thanks for your assistance with this effort.
